

1 Math & Science Academy

Parent Conference - April 24, 2019. The meetings are for parents or legal guardians only. Only one meeting will be held per student. We will put up a sign up sheet by the teacher's classroom.

NO appointments will be done over the phone.

STEM Curriculum - The school continues to expand its STEM studies. The Ag- Science Program students will participate in a Monarch Butterfly study starting this Summer. Our Monarch butterfly garden (milk weed) is well established and we hope to produce good specimens. Our Vegetable gardens are doing well and we hope to produce some good vegetables soon.

Summer Heat - The days have started to warm up. The children will not be going out to play if the day is too hot or they may go out for very short periods. On days that the children do not go outside, we will have indoor activities for the children.

Commitment Letters-Last day to turn in your commitment letter is April 12,2019. All students need a commitment letter for the 2019-2020 school year. We will assume that your child is not returning next year if no commitment letter is turned in. The last day for all students that do not sign up for the new school year is the end of **July 2018**.

Graduation & Awards - Friday May 24, 2019 at TAMIU from 6:30 PM to 8:00 PM.

Summer Enrollment Options- We will allow 10 students, on a first come first serve basis, to be out June and July and still have a space reserved for August. Those parents that miss the 10-student list may choose (June or July) for their child to be out. Feel free to speak to Mr. Medina, Mrs. Medina or Ms. Hernandez for clarification. Fall starts August 1, 2019.

Spring Pictures - April 10,2019 Students **do not** have to wear school uniforms for their spring pics.

Mothers' Day Tea Party - May 10, 2019 Special invitations will be sent out. The theme is "Kentucky Derby Style Tea Party". So ladies get your hats ready for this event. The little Southern Bells and Gentlemen may wear their Sunday's best.

Breakfast - Students are not allowed to bring their breakfast into the classroom after 8:30 AM. The students may finish their meal in the waiting area.

Parking under Roof - This parking area is for our Queen Bee (Mrs. Medina), Drone Bee (Mr. Medina) and Worker Bees (Teacher Rose and Dr. Kazen). No one else should park there. A swarm of Africanized Bees are on the look out for violators.

Handicap - You must have a handicap tag to park there. Shame on those that take up these spaces.

Easter Holiday Reminder - There are no classes on Friday April 19,2019 and Monday April 22,2019. Classes will resume on Tuesday April 23,2019.

Family Picnic - Everyone had a great time! Thank you to all our families that attended.

Thank you.

Gru 😊 😊
