

**“The Number One Math and Science Academy.”**

**Questions??** - There is no better way to make sure our lines of communication are always clear than by asking questions. If you have any doubts or concerns about anything, please do not wait or hesitate to ask questions. I am sure we will be able to give you an answer and put your mind at ease.

**School Day** - Academics start at 8:30 AM and ends at 2:30 PM.

**Homework** - Teachers for Pre-Kinder, Kinder, 1<sup>st</sup> grade and 2<sup>nd</sup> grade will start to issue homework starting in September.

**Uniforms** - Students are required to wear the school uniform every day of the week. All students need to wear the proper school uniform. We are extending the starting date for uniforms to Monday August 24, 2020 due to delays in uniform delivery. On Fridays students may wear the Apple Bee t-shirt. ***We have the right to send your child home for not complying with this policy. No cargo, carpenter pants. The pants or shorts must be khaki, NO other color. Call us if you have questions about the school uniform.***

**Tuition** - Tuition is due on the 1<sup>st</sup> of the month but we give parents until the 5th of every month to pay without late fees. A late fee of \$20 dollars is added to late payments. If you need to pay late, please contact the office to make arrangements so that your services are not interrupted.

**Labor Day** - The school will be closed Monday September 7,2020.

**Medication** - We cannot dispense over the counter medication unless a doctor prescribes it. We also cannot dispense medication from Mexico.

**Drop Off** - We will **not** accept children after 10:00 AM. Children have a very difficult time staying after this hour. Also, please do not drop off your child with food after 8:30 AM; at this time breakfast is over and teaching has started. If you have signed up to drop off your child/children at 8:00 AM (for example) but you are instead dropping off at 7:30 AM it can complicate things in the morning for the teachers. We have teachers scheduled based on how many students are scheduled during certain hours during the day.

**No toys** - The children should not bring toys to school because the children sometimes do not want to share. We then also have parents that want teachers to look for missing toys; and the teachers just do not have the time to be doing this. To avoid problems, we would appreciate it if you do not send toys with the children.

**Breakfast** - We start serving at 7:45 AM and stop serving at 8:15 AM.

**Lunch Menu** - Parents may request a copy.

**Masks** - Students 3 years and older must wear a mask. Masks need to be provided by the parents. WE also ask that parents wear a mask when picking up or dropping off students at the front door.

**Agriculture Science** - Students in Pre -Kinder, Kinder, 1<sup>st</sup> grade and 2<sup>nd</sup> grade participate in our Ag. Science program. It is a year-round program. Students participating in the AG program will need a written consent from the parents in order to participate. Students are not required to participate in the program. Students will receive a special certificate for participation. This program is considered a life skills program and Apple Bee is the only one to do it for students of this age. Consent forms will be sent home.

**School Holidays** - Thursday November 26,2020, Friday November 27,2020, Thursday December 24,2020, Friday December 25,2020,Thursday December 31, 2020, Friday January 1,2021, Friday April 2,2021, Monday May 31,2021.

Thank you,  
**The Warden**
