

School year – The school year officially starts August 1, 2023. Students will start wearing the Apple Bee uniforms Monday thru Thursday and the gray Apple Bee T-shirts on Friday starting August 14, 2023.

Lights off - The hallway and classroom may sometimes have only half of the lights on during the day. This is due to high daytime temperatures and our efforts to keep classrooms cooler.

Breakfast – We stop serving breakfast at 7:45 AM. Students need to finish their outside breakfast before entering the classrooms because then other students want to take food from the student eating and a short tiff may ensue over the food.

School supply - The **annual** fee is **\$ 420.00** and due in August. If you have any questions stop by the office.

August tuition- August is when we must collect tuition on or before August 5th to prevent students leaving without payment. Students will not be allowed to stay past August 5th if no tuition is paid.

School Policy - We need notification, in writing, at least 10 days before the end of the month if your child is going to be out or not returning. **Verbal notifications are not accepted. You will be billed the month in progress for failure to comply.**

Morning Drop off – Parents are allowed to enter from 7:30 AM to 9:00 AM and drop off the students. Please, we ask that you refrain from wanting to converse with the teacher. The extent of the conversation should maybe be “Hello and Good Morning”. If you have questions, we will be glad to call you. The teachers in the receiving classrooms may not be able to help since not all the students are her students. Dropoff can be chaotic, but things settle down once all students stop arriving.

Zoo Hours – Summer hours are 7:30 AM and close 5:30 PM and not at 6:00 PM. Regular violators will be asked to pay \$1.00 a minute for late pick up. Students left behind will be fed to the hyenas.

CCS - We are not accepting new students under the CCS program. If you are planning to apply for this program, please let the directors know before making the change from private pay to CCS. We have the right to refuse new students under the CCS program once the limit for CCS students is reached.

Personal Info. – Teachers and staff are not allowed to share personal information (phone numbers, or any form of social media information) with parents. This is a school policy.

Thank you,
Zoo Keeper EM
